

Transfer Equivalency

The program at the University of Hartford (UH) discussions with the early education department faculty at Asnuntuck Community College (ASCC) on transfer opportunities for Asnuntuck Community College students to the University of Hartford is complete. Transfer opportunities to the University of Hartford would be beneficial for Asnuntuck Community College students given the University of Hartford offers a Bachelor's degree in Early Childhood Education.

The two programs have discussed the following for students transferring from Asnuntuck Community College to the University of Hartford:

1. ECE 295 (the student teaching practicum at ASCC) hours will be considered on a case-by-case basis for clinical hours.
2. Students from Asnuntuck Community College would transfer 36 or 37 credits of general education and 21 or 24 credits in early childhood education to the Early Childhood Education program at UH. The course equivalencies in the chart below are what individuals typically use for transfer of 60 plus credits from a Community College. You are always welcome to request an audit as part of our admissions process if you have other courses.
3. Transferring students would have to complete the final 30 credits of their BS at the UH.
4. Taking the PRAXIS CORE (formally Praxis I) academic skills assessment or the SAT (administered after 2005) is required for prospective teachers by the State of Connecticut. For PRAXIS CORE registration and further information about the PRAXIS CORE exam, visit www.ets.org/praxis and www.sde.ct.gov/sde/lib/sde/PDF/Cert/guides/assess_for_cert.pdf
5. Both programs post this Transfer Equivalency on the University and program websites.

Plans for Transfer Credits

ASCC Course	UH Course
ENG 101 Composition (3)	WRT 110 Academic Writing I (3)
ENG 102 Composition and Literature (3)	WRT 111 Academic Writing II (3)
MAT Math Elective (3) <i>If seeking transfer to UH please take MAT 167- Principles of Statistics</i>	M114 Everyday Statistics (3)
