

Transfer Equivalency

The program at the University of Hartford (UH) discussions with the early education department faculty at Capital Community College (CCC) on transfer opportunities for Capital Community College students to the University of Hartford is complete. The University of Hartford and Capital Community College are founding members of the Hartford Consortium of Higher Education. Transfer opportunities to the University of Hartford would be beneficial for Capital Community College students given the University of Hartford offers a Bachelor's degree in Early Childhood Education and its location.

The two programs have discussed the following for students transferring from Capital Community College to the University of Hartford:

1. ECE 295 (the student teaching practicum at CCC) would be accepted for credit and entering TRANSFER students would also participate in the seminar at the UH**.
2. Students from Capital Community would transfer 36 or 37 credits of general education and 27 credits in early childhood education to the Early Childhood Education program at UH. The course equivalencies in the chart below are what individuals typically use for transfer of 60 plus credits from a Community College. You are always welcome to request an audit as part of our admissions process if you have other courses
3. Transferring students would have to complete the final 30 credits of their BS at the UH.
4. PRAXIS CORE: The PRAXIS CORE (formally Praxis I) academic skills assessment for prospective teachers is required by the State of Connecticut to ensure that candidates for teacher preparation are competent in reading, writing, and mathematics. Passing scores on the PRAXIS CORE exam are Reading—156, Writing—162, and Mathematics—150. For PRAXIS CORE registration and further information about the PRAXIS CORE exam, visit www.ets.org/praxis and www.sde.ct.gov/sde/lib/sde/PDF/Cert/guides/assess_for_cert.pdf

PRAXIS CORE Waiver: You may obtain a waiver of the PRAXIS CORE exam by submitting an application to the State of Connecticut along with SAT, ACT, or GRE scores. If your scores are high enough, the State will issue a waiver letter. For waiver criteria, an application form, and instructions for submitting your test scores, visit http://www.sde.ct.gov/sde/lib/sde/PDF/Cert/guides/assess_for_cert.pdf.

5. Both programs post this Transfer Equivalency on the University and program websites.

Plans for Transfer Credits

CCC Course	UH Course
ENG 101 Composition (3)	RPW 110 Rhetoric & Writing I (3)
ENG 102 Composition and Literature (3) <i>OR</i> ENG 103 <i>OR</i> ENG 200	RPW 111 Rhetoric & Writing II (3)
MAT Math Elective (3) <i>If seeking transfer to UH please take MAT 167- Principles of Statistics</i>	M114 Everyday Statistics (3)
PSY 111 General Psychology (3)	PSY 101 Introduction to Psychology (3)
PSY 204 Child & Adolescent Development (3)	PSY 240 Infant and Child Development (3)
SOC 101 Principles of Sociology (3)	SOC 110 Introduction to Sociology (3)
SCI Science Elective (3 or 4) <i>If seeking transfer to UH please take Biology w/ lab, Chemistry w/ lab, Earth Science or Physics w/ lab</i>	Natural Science course (3 or 4 with lab)
