Mission of the University of Hartford

At the University of Hartford we provide a learning environment in which students may transform themselves intellectually, personally, and socially. We provide students with distinctive educational experiences that blend the feel of a small, residential college with an array of academic programs and opportunities characteristic of a large university. Through relationships with faculty and staff dedicated to teaching, scholarship, research, the arts, and civic engagement, every student may prepare for a lifetime of learning and for personal and professional success.
The University of Hartford admits students without regard to race, gender, color, creed, sexual orientation, age, physical ability, national or ethnic origin, or disability status to all the rights, privileges, programs, and activities generally accorded or made available to students at the school. It does not discriminate on the basis of race, gender, color, creed, sexual orientation, age, physical ability, national or ethnic origin, or disability status in the administration of its educational policies, admission policies, scholarship and loan programs, and athletics and other school-administered programs.

Undergraduate and Graduate Bulletins are published separately. All colleges of the University are covered in the Undergraduate Bulletin; only those colleges offering graduate degrees are listed in the Graduate Bulletin.

When requesting a Bulletin, please indicate colleges for which information is desired. It is imperative to give your ZIP code.

Admission requirements, fees, rules and regulations, and academic programs are presented in official Bulletins of the University. The right, at any time, to make whatever changes may be deemed necessary is specifically reserved.

The information contained in this Bulletin is subject to change at any time. It is intended to serve only as a general source of information about the University and is in no way intended to state contractual terms.
